### Free Software Access from Home

1. Autodesk Maya: Available for students and faculty to download for personal use. To be eligible you must register with your @uhcl.edu email. Registration and download link: https://www.autodesk.com/education/free-software/maya

2. **SAS**: SAS has made free versions of SAS (SAS University Edition) for students for Windows, Mac, and Linux users. <u>https://www.sas.com/en\_us/software/university-edition/download-software.html</u>

3. **Mathematica**: Available for students and faculty to download for personal use through UHCL agreement with UH. Download here: https://www.uhcl.edu/computing/services/software/mathematica

Fast Introduction: <u>http://url.wolfram.com/8qNfJrpO/</u> Online Documentation: <u>http://url.wolfram.com/7cZrczgI/</u> Book: <u>http://url.wolfram.com/6Qlv1BVG/</u>

- 4. Minitab 19.1: Available to all current UHCL students, faculty, and staff:
  - 1. Copy the <u>minitab.lic</u> to your computer's desktop first as you will need it to complete the installation.
  - 2. Click on this link: https://downloads.uhcl.edu/install/minitab.zip
  - 3. Enter your UHCL login credentials.

## 6. Adobe Creative Cloud

Students have two options to access Creative Cloud:

1. Remotely access lab computers that have Creative Cloud installed. The instructions to remotely access the lab computers are here:

https://www.uhcl.edu/computing/labs/documentation/remote-access-complete.pdf

- a. Note: The computers that have Creative Cloud installed are in the following two groups in the remote access dashboard:
  - i. Mac Lab (Mac computers)
  - ii. Specialty Software Lab (Windows computers)
- The second option is for students to purchase their own Adobe Creative Cloud subscription. Students are eligible for a highly discounted price when using their UHCL email address. The Adobe Creative Cloud purchase page is here: <u>https://www.adobe.com/creativecloud/buy/students.html</u>

# 7. **SPSS**

- 1: Go to: https://www.uhcl.edu/computing/labs/software
- 2: Scroll down to the SPSS 26 listing, and click on the available download link

Once SPSS Statistics has been installed, launch SPSS Statistics.

1. Click License Product.
