

Foundation Course Waivers / Application Requirements

Transfers and course waivers:

All School of Business graduate degrees require the completion of a minimum of 36 hours. At least the last 24 semester hours must be earned at UHCL.

Previously earned graduate credits are not necessarily applicable:

- Only graduate courses with grades of B- and above from AACSB accredited universities are transferrable.
- It is the prerogative of the dean to determine whether the contents of such courses are pertinent to the degree objective.
- Courses completed more than five years prior to admission to graduate study at UHCL may not be counted toward fulfilling the required number of hours unless approval is granted by the dean.
- Credits previously applied to a graduate degree already earned may not be counted toward an additional degree.

Other application requirements:

All students applying for one of the School of Business graduate degrees must submit applications, transcripts, bachelor degree information, and GMAT scores in accordance with these deadlines.

Fall Enrollment	August 1
Spring Enrollment	December 1
Summer Enrollment	May 1

Students who lack records, transcripts or GMAT scores will not be considered for admission or permitted to register.
