International students must supply the UHCL Office of Admissions with official transcripts, grade sheets and confirmation of degrees or diplomas of all academic studies attempted at other colleges/universities prior to enrollment. Please provide two sets of official transcripts in the original language and an English translation, if appropriate. *Refer to catalog for additional information.*

### Transcripts:

If relevant course work has been completed at a university outside of the United States, the student should discuss the possible need of a subject analysis evaluation by ECE (Educational Credential Evaluators, Inc.) with their School of Business Academic Advisor. For additional information visit the official ECE website.

### Orientation:

New international student orientation is offered prior to each fall, spring and summer semester. The orientation provides information regarding health insurance, visa regulations, cross-cultural adjustment, and academic advising.
