

Withdrawals

Student initiated withdrawal

Student applications for withdrawal from courses or from the university must be made to the Office of Academic Records prior to the withdrawal deadline stated in the academic calendar. Such courses receive a grade of WX (Withdrawal, No Evaluation).

Administrative withdrawal

The university reserves the right to withdraw students from a class or classes if, in the judgment of the appropriate university officials, such withdrawals are in the best interests of the students and the university. Students may be withdrawn for reasons of health, irresponsible financial conduct, unacceptable personal conduct, or Honesty Code violations or other academic infractions.
