According to my Certificate of Eligibility (if available, please attach a copy), I can expect to receive benefits at the (please check):

- 40% level

- 80% level
- 90% level
- 100% level

If not eligible for 100% tuition and fee payment, I will pay the portion for which I am responsible before fee payment deadline. I understand that failure to pay my portion can result in late fees and/or my classes being dropped.

UHCL will not certify my enrollment until after the add/drop period of the term. I understand it may take the VA 30 to 60 days to pay my entitlement. In the meantime, UHCL is going to prevent any late fees and/or drops from occurring due to the time waiting on VA to pay my entitlement. In the event the VA notifies UHCL that I am not eligible for VA benefits, I will make payment arrangements with UHCL within 2 weeks of notification from UHCL.

I also understand that any outstanding balance to UHCL or the VA may prevent enrolling or receiving benefits in future semesters.
