

Keep Texas Beautiful - Second Edition Ornament

Texas is commonly thought of for its wide open spaces, but for many Texans, when they think of home, they picture a lush landscape painted with Oak, Pine, Pecan, and a variety of trees. Trees provide beauty and give life to everything surrounding them. For the duration of its life, a tree continues to give to its environment, only growing larger and stronger with time.

Keep Texas Beautiful is very much like a tree, giving back to the environment through its development of a grassroots system of city and county programs committed to the overall goal of keeping Texas beautiful. Keep Texas Beautiful drew on both the significance and symbolism of a tree when designing this year's ornament. The Keep Texas Beautiful Second Edition Ornament features our official state tree, the Pecan.

The ornament's design and creation was guided by Nelda Laney, who has designed ornaments for numerous Texas organizations and causes.

The purchase of this ornament funds community improvement projects so that Keep Texas Beautiful can realize its vision to make Texas the cleanest, most beautiful state in the nation.
