EXPLANATION OF FOOTNOTES

- / Associate degree requirements at the community college, including the minimum allowed grade point average, are found in the community college catalog in effect during the student's initial semester of continuous enrollment. See a community college counselor for more information. Please note that not all courses are offered at all community colleges. Check with your counselor for availability of courses on your campus.
- * UHCL's requirements are consistent with the 42-hour Texas core curriculum. If a student completes a component of the core at one Texas institution, that block of courses will be substituted for UHCL's same core component(s). Additional Program Foundation courses are required. **Please refer to your school's core requirements for specific courses in each area below. The School of Human Sciences and Humanities at UHCL will transfer up to 60 semester hours from the community college.**
- ** These Curriculum and Foundation Requirements may be fulfilled by approved upper-level equivalents at UHCL.
- a Must complete six hours of Composition with grades of "C-" or better.
- b Suggested courses for Humanities include: any ENGL literature, HUMA, PHIL, RELI, SPCH or HIST (in addition to core requirements), or sophomore-level foreign language course.
- c Six hours of American History required; three hours may be in Texas History.
- d Suggested courses for Visual and Performing Arts include: any ARTS, DANC, DRAM, MUSI, or MUAP course. Three semester hours credit required.
- e Suggested courses for Natural Science include: any ASTR, BIOL, CHEM, ESCI, GEOL, or PHYS courses.
- f Suggested courses for Social and Behavioral Science include: any ANTH, ECON, GEOG, PSYC, or SOCI course. Also any GOVT, HIST, or POLS course in addition to core requirements.
- g Suggested courses for Speech/Communication include: any SPCH course.
- h Suggested courses for Computer Competency include: any COSC or CSCI course. Other courses may meet this requirement. Please check with an adviser on your campus.
- i May choose any lower-level class that may be beneficial for the chosen major. Suggested electives may be chosen from: ARTS 1301, 1303, 1304; BIBL; COMM; COSC; CSCI; ECON; ENGL literature; foreign language; GEOG; HIST; laboratory science; MATH; PHIL; PSYC; and SOCI.
- j With the exception of remedial courses, these courses will count toward the bachelor's degree at UHCL as electives. These courses are either prerequisite courses for required university courses, courses required for the associate degree, or are required remedial courses to satisfy the TASP mandate.
- # The core component number is used by Texas schools to identify which area of the 42-hour core curriculum a course fulfills.

The Baccalaureate program in Women's Studies will provide a multidisciplinary education, offering courses that span both the humanities and social sciences. No prerequisites are required. The objective of this program is to expose students to a broad range of issues relating to the study of women and gender, and to teach students to reflect critically and analytically on these topics. A parallel focus of this program is to relate women's issues to analyses of ethnicity, race, class and sexual orientation, among other social factors, both within the U.S. and globally. The degree includes an optional Concentration in Latina / Latino Studies.
