

University of Houston-Clear Lake (UHCL) NSF Scholar Organization

Proudly presents a **FUN and FREE**

English Communication Enhancement Workshop

Date/Time: 8 days on Wednesday between Sept 22nd to Nov 10th at UHCL Bayou Building 1618, 11:30-12:50. 12 hours total.

**Enhance your communication skills through fun and laughter!
International Students Welcome!**

Effective speech and communication are known to be among the most important skills in career advancement. UHCL NSF Scholar Organization has teamed with Dr. Christine M. Paul, the director of foreign language program of UHCL, to conduct a fun-filled workshop to enhance your English speech and communication skills easily through various games, group exercises, role playing, etc. The program is custom designed for students in computing, science, engineering and mathematics to prepare them for future career success. You can see some past photos at <http://sce.uhcl.edu/cs/blog/index.php/2007/04/12/fun-workshop-on-communications/>

Benefits:

- **Free** all SCE students (usually \$135).
- Dr. Christine Paul has 22 years of experience in teaching English, French, German and Spanish, and is renowned for conducting lively, enjoyable and effective speech workshops.
- Target to enhance your future career advancement.

Information and registration: stop by Bayou Room 1618, email paul@uhcl.edu, go to <http://www.uhcl.edu/fi>, or call 281-283-3033. **Seats limited to 20. First come first served.**
