

Accounting & Tax

Accounting & Tax provides indexing for journals, newspapers, manuals, reports, and industry publications, with selected full text access. International in scope, it covers accounting policies and standards, state and national tax legislation, corporate and individual taxation, corporate financial management, and profiles of accountants and firms. Dates of coverage vary with some beginning in 1971.

STARTING & SEARCHING ACCOUNTING & TAX

From the library's World Wide Web homepage (<http://www.uhcl.edu/library>), click on **Databases A-Z**. In the alphabetical list of databases by name, click on the **Accounting & Tax** hyperlink.

Advanced Search with Boolean/phrase search mode is the default search method. See sample search form below.

The screenshot shows the 'Advanced Search' interface for the 'Accounting & Tax' database. The interface includes tabs for 'Basic', 'Advanced', 'Topics', 'Publications', and 'My Research'. The search terms entered are 'corporate governance', 'account* or audit*', and 'sarbanes oxley', connected by 'AND' operators. The search is limited to 'Accounting - Accounting & Tax' and 'All dates'. Callout boxes provide instructions: 'Enter search terms. Select a logical operator (and, or, and not, within 3, pre/1) to connect multiple search boxes.' points to the search boxes; 'Identify and select search terms from browse lists if needed.' points to the 'Look up subjects' link; 'If desired, limit your search terms to a specific field (author, document title, subject, person, company/organization, publication title, etc.).' points to the field selection dropdowns; 'Use the drop-down list to select Last 7 days, Last 30 days, etc. You also may select and enter a specific date or date range.' points to the 'Date range' dropdown; and 'Click **More Search Options** to browse and limit by publication title, subject, company/organization, person, location, NAICS codes, document type, and publication type (scholarly journals, magazines, trade publications, etc.).' points to the 'More Search Options' link.

Tips: Enter Boolean and adjacency operators, truncation symbols, or field limiters directly into the search box.
