

Business Source Complete

Business Source Complete through TexShare indexes over 4,175 journals (some beginning as early as 1886) and provides full text for more than 3,278, including over 1,670 peer-reviewed journals in management, economics, finance, accounting, international business, and related fields. Content also includes Economist Intelligence Unit's *Country Monitor* and *Country Profile* reports, Datamonitor's *Company Profile* reports (which often include a SWOT analysis), industry reports, and more than 25,000 author profiles.

STARTING & SEARCHING BUSINESS SOURCE COMPLETE

From the library's World Wide Web homepage (<http://www.uhcl.edu/library>), click on **Databases A-Z**. In the alphabetical list of databases by name, click on the **Business Source Complete** hyperlink.

Advanced Search with Boolean/phrase search mode is the default search method. See sample search form below.

The screenshot shows the search interface for Business Source Complete. The search box contains the query: "renewable energy sources" in "SU Subject Terms", "and economic*" in "Select a Field (optional)", and "and trend* or outlook* or projection* or forecast*" in "Select a Field (optional)".

Callouts include:

- Enter search terms. Connect multiple terms with a Boolean operator (AND, OR, NOT).** (Points to the search input fields)
- Help menu** (Points to the help icon)
- If desired, specify a field (Author, Title, Subject Terms, Geographic Terms, Reviews & Products, Company Entity, NAICS Code or Description, Ticker Symbol, Publication Name, etc.) for some or all of your search terms. Expand a search if needed by looking for some terms in the All Text (i.e., full text) field.** (Points to the field selection dropdowns)
- Scroll down to find additional limiters for narrowing your results.** (Points to the search options section)
- Caution: Using the Full Text limiter will exclude full text articles available via Article Linker.** (Points to the Full Text checkbox)
- Scholarly (Peer Reviewed) Journals** (Points to the Scholarly checkbox)
- Other publication types include newspaper, industry profile, country report, etc.** (Points to the Publication Type dropdown)
- Other document types include book review, company report, editorial, industry overview, product review, etc.** (Points to the Document Type dropdown)

Tips: Enter Boolean operators, proximity operators, or truncation symbols directly into the search box.

and	leadership and change	narrows the results by finding both terms in the same record
or	qualities or characteristics	broadens the results by finding either or both terms
*	financ*	broadens the results by finding <i>finance</i> , <i>financing</i> , <i>financially</i> , etc.
so	so japan country monitor	finds records from the publication <i>Japan Country Monitor</i>
ic	ic 336111	finds records with NAICS code 336111 (automobile manufacturing)

Special search links:

- Use **Publications** to find a journal in the database, its peer-review status, dates of coverage, full text availability, etc.
- Use **Thesaurus** to identify and select official thesaurus terms, which may improve your search results.
- Use **Author Profiles** to search for an author's brief business profile.
- When you already have a relevant article, search **Cited References** (under **More**) to find other articles that have cited it
- Use **Company Profiles** (under **More**) to search for a company report by Datamonitor or Life Science Analytics.
- Use **Indexes** (under **More**) to browse for and search specific fields (*author*, *author-supplied keywords*, *geographic terms*, etc.)

VIEWING & WORKING WITH RECORDS

Click the arrow to show or hide any limiter category.

If desired, narrow your results with author-supplied keywords or with official subject thesaurus terms.

Full text is provided for this article.

To see if UHCL owns the journal in paper copy or microfilm and where it's located in the library, click **Search the Neumann Library Catalog.**

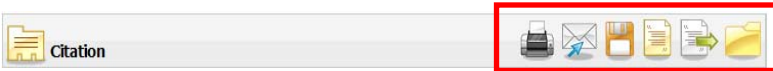

Click the **Article Linker button or **Check for possible full text** to see whether full text is available from another source. See also **Article & Book Requests** on the library homepage for document delivery options.**

Click **Add to folder and then **Folder View** when ready to work with the contents.**

Click title for the full citation view or the magnifying glass for a preview.

Leads to all limiters.

Caution: Bookmark and Share links must be edited to insure access, especially from off campus. Create a My EBSCOhost account instead to save your work.

From the full citation view, click a desired icon to print, email, save, view citation styles (APA, MLA, etc.), export a record, or add it to a folder, and then follow onscreen instructions.

To save searches, histories, and alerts, click **Sign in to My EBSCOhost** at the top of the screen, and follow onscreen instructions. See also separate how-to guide: [Saving Searches & Creating Folders in EBSCO Databases](#). For more information, refer to onscreen help, or consult a reference librarian (281-283-3910 or library @uhcl.edu).

ENHANCED BUSINESS SEARCHING INTERFACE

Enhanced Business Searching Interface

Note: An Enhanced Business Searching Interface also is available and offers other options for browsing country economic reports, company profiles, industry profiles, and market research publications. To access it, click **Choose Databases** (above the *Select a Field* drop-down boxes), then **Detailed View** (above the *Select/deselect all* check box), and then the **Enhanced Business Searching Interface** link in the *Business Source Complete* entry. Click **Search Other Databases** to exit.
