Business searches include three **Company Dossier search forms:**

- Use the default **Company Dossier** form or the equivalent **Find a Company** form to search for a single company (by name, partial name, ticker symbol, or 9-digit D-U-N-S number); see sample search form below.
- Use **Dossier Create a Company List** to generate a list of companies using expanded criteria, including standard industrial codes; see next page of this guide for an example.
- Use **Dossier Compare Companies** to generate a financial report for up to five companies that trade on U. S. stock exchanges. Search by company name or ticker symbol.

Find a Company Search Form

Find a Company **Create a Company List** **Compare Companies**

Enter the attributes of the company you are looking for, then click Find. If you don't know the company's ticker symbol or DUNS® number, complete as many of the other fields as possible.
