Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels that your institution offers, even if there are no students currently enrolled at that level.

The answers to these questions determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the Winter and Spring collections. Additionally, checking Yes for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report pricing information for these students (on the IC survey) and Student Financial Aid information in the Spring collection. The reported full- and part-time 2006 Fall Enrollment counts are provided for your reference.

Estimates should be based on the definitions used in the IPEDS Enrollment component submitted in the Winter or Spring collection. These data will NOT appear in IPEDS COOL (College Opportunities Online Locator), but will be made available in the IPEDS Peer Analysis System.
