This report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by UHCL; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters.

NOTES:

* Due to NACUBO's (National Association of Colleges and Universities Business Officers) clarification/definition of Public Property, UHCL crime stats have been corrected as of 4/21/2003 to reflect proper reporting. These incidents/arrests occurred on property adjacent to campus. The campus is subdivided (view map) by Horsepen Bayou with jurisdictions in the cities of Houston (Clear Lake District) and Pasadena (District 5 or South District). The subjects involved in these cases may or may not have had any affiliation to UHCL.

** The National Incident-Based Reporting System (NIBRS) of the Federal Bureau of Investigation defines non-forcible as unlawful, sexual intercourse (except prostitution), which consists of incest and statutory rape only.

As part of the new amendment to the Jeanne Clery Act, colleges and universities are required to report the above listed crime statistics that occur on all property adjacent to the campus.

If you have any questions about the crime statistics, please call the University Police Department at (281)283-2222.
