SUBJECT: Personnel Commendations and Complaints

Dear UHCL Community:

In a continuing effort towards transparency, the University of Houston-Clear Lake Police Department offers the adjacent drop box as another avenue for you to submit commendations or complaints about the performance of our personnel. Simply complete the respective form and forward it to me by placing it in the secure drop box. If you are not comfortable with the drop box, then there are additional options for submission listed on each form. You may also email me directly at policechief@uhcl.edu.

Below you will find a review of 2008 calendar year personnel commendations and internal affairs complaints. This table will be updated at the end of each year.

Moving Ever Forward – Serving Out Community,

Paul S. Willingham
