Quality Enhancement Plan

Applied Critical Thinking for Lifelong Learning and Adaptability

Questions & Answers

1. What is the QEP?

The Quality Enhancement Plan (QEP) is a major part of UHCL's re-accreditation process as a member of the Southern Association of Colleges and Schools (SACS).

2. What is the purpose of the QEP?

The QEP is designed to enhance student learning of all UHCL students.

3. What is the topic of UHCL's QEP?

Applied Critical Thinking (for lifelong learning and adaptability)

4. Why did UHCL choose the topic of Applied Critical Thinking?

The topic is important to student success, has faculty support, and will strengthen critical thinking skills for all UHCL students.

5. What is critical thinking?

Critical thinking is basically a higher level of thinking related to analyzing and evaluating information.

6. What do you mean by Applied?

We want students to think critically and apply that skill in everyday situations.

7. Where do you go for information about your University's QEP?

There's a link on our home page – http://prtl.uhcl.edu/portal/page/portal/PRV/QEP/.

University of Houston **∠** Clear Lake
