

# POSITION ANNOUNCEMENT

**Title:** Industrial Hygiene Professor/Lab Coordinator – Tenure Track

**Qualifications:** Doctorate degree preferred (required for tenure) and demonstrated experience in successful teaching of varied industrial hygiene and safety courses. Must possess one or more degrees in Industrial Hygiene. Strong interpersonal skills – must be able to positively interact with faculty, staff, and students. Demonstrated experience teaching in higher education is preferred. Professional certification (CIH) required.

**Responsibilities:** The successful candidate will teach a number of Industrial Hygiene and Occupational Safety courses offered each semester based on program needs and individual's strengths. Additionally, the successful candidate will be expected to serve as the Lab Coordinator for the Health and Safety Laboratory. Finally, the successful candidate will be expected to engage in those activities consistent with program development, university service and scholarly advancement.

**Salary:** Salary and Rank Commensurate with Experience

**Occupational Safety and Health Program/College of Health Professions:** OSH

**How to Apply:** Apply online at [www.gvsujobs.org](http://www.gvsujobs.org). Include a cover letter, resume, and contact information for three professional references. The online system will allow you to attach these documents electronically. If you need assistance or have questions, call Human Resources at 616-331-2215.

**Application Deadline Date:** Initial Screening of Applications will begin on November 24, 2008. Position will remain open until filled.
