

# **Environmental Health & Safety for Educational Institutions**

**January 5 - 9, 2009**

**Houston, TX**

## **HBCU/MI Scholarships Available!!!**

**Early registration ends December 19 -- [REGISTER NOW!!!](#)**

College and university campuses are complex workplaces with a wide range of occupational safety and health hazards. Campus staff must manage a wide variety of regulations and guidelines administered by a myriad of different agencies. The **Southwest Center for Occupational & Environmental Health** is pleased to present the **EHS Academy**, providing a solid foundation from which you can understand and manage your institution's environmental health and safety issues or program. The director for the course is renowned environmental health and safety expert, Dr. Robert Emery, Executive Director for Health & Safety at The University of Texas Health Science Center at Houston. **Limited HBCU/MI scholarships are available!** Please visit <http://www.sph.uth.tmc.edu/swcoeh/default.aspx?id=2061> to access the conference brochure and [DRAFT agenda](#).
