

# **Pearland Campus New Student Orientation Schedule**

**5:15pm - 6:00pm**            **Check-in** (North Lobby)

**6:00pm - 7:20pm**            **Welcome, Introductions & Academic Honesty Conversation** (City of Pearland Meeting Room)

**7:30pm - 8:00pm**            **Hot Topic Workshops**

**Taking the BYTE out of E-Services** - Classroom 111

(Presenter: Kristi Randolph, Associate Director, Student Assistant Center and Lindsey Fulton, Coordinator of Student Services)

Learn about all of the online services available to UHCL students. Did you know you can check your admissions status, enroll in courses, order text books, make tuition payments, register for parking, view grades, view and request transcripts, access enrollment verifications, view financial aid, update mailing address and phone numbers, and much more... ALL ONLINE! E-Services is your connection to managing your student account online.

**Sitting up Front with Blackboard and the Support Center at UHCL** - Computer Lab  
(Presenters: Representatives from the Support Center and Academic Computing)

In this session, you will learn about all the services provided by the University Computing and Telecommunications, including our Support Center, your campus Email account, online courses (Blackboard), software lists, and our Academic Computing Labs.

**Electronic Sources from Your Library: Just What Your Professor Ordered** - Library  
(Presenter: Marcus Sessions, Library Associate)

When your professors specify that you must use peer-reviewed articles or scholarly books as references in your papers, the Library can help you find them. Our collection includes 27,000 electronic journals and 100,000 e-books (no expensive e-book reader needed.) Find out how to access scholarly electronic resources from your home or office, using UHCL's Library collection.

**7:45pm - 8:30pm**            **Resource Fair** (Classroom 112)

Meet UHCL faculty and staff to have your questions answered and receive a special UHCL gift! Supplies are limited!!
