## School of Education • Graduate Teacher Certification Grades 4-8 Mathematics (37-72 hours)

To be eligible for admission to a graduate teacher certification plan, students must hold a bachelor's degree from an accredited university and also be pursuing a master's degree. Students must meet the graduate admissions requirements for both the university and the School of Education. Graduate teacher certification students must maintain graduate academic standards and pay graduate tuition rates. The courses in bold on this plan may also be applied to a master's degree. Please refer to the catalog for course descriptions, prerequisites, and admission requirements to Teacher Education Program. Any changes made by the University of Houston-Clear Lake or the State of Texas in interpreting the rulings on certification may supercede the requirements of this plan.
