School of Education • Graduate Teacher Certification Grades EC-6 Bilingual Generalist (55-58 hours)

To be eligible for admission to a graduate teacher certification plan, students must hold a bachelor's degree from an accredited university and also be pursuing a master's degree. Students must meet the graduate admissions requirements for both the university and the School of Education. Graduate teacher certification students must maintain graduate academic standards and pay graduate tuition rates. The courses in bold on this plan may also be applied to a master's degree.
